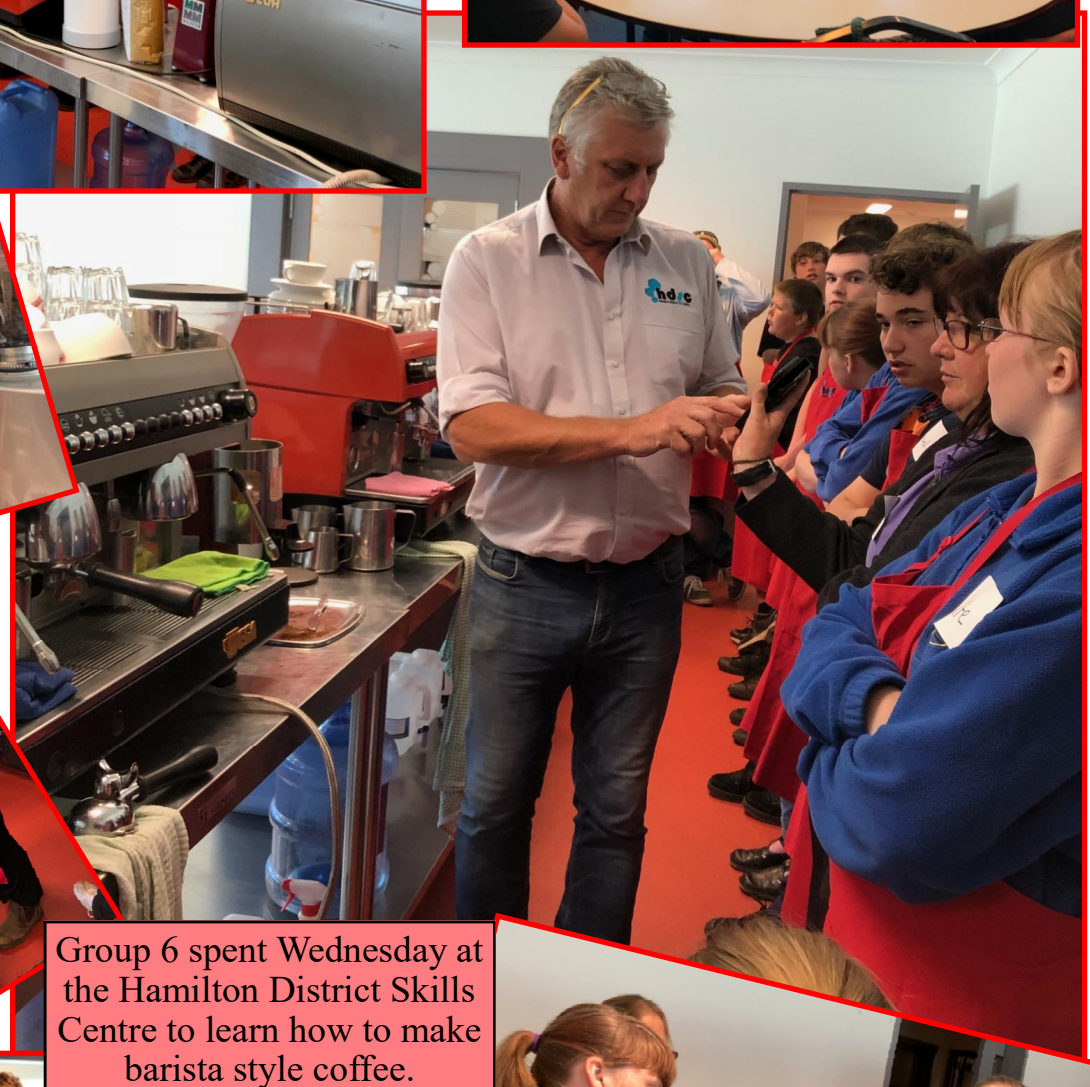
And our staff member, Sarah Edwards - 17th March



Group 6 spent Wednesday at the Hamilton District Skills Centre to learn how to make barista style coffee.

We had a great day looking at the parts of a coffee machine, how to prepare the coffee grinds and how to make sure that the grind is consistent. We also looked at heating the milk correctly, making sure it isn't burnt, but nice and shiny.

Staff are looking forward to sampling the student's new skills.

Phil, Group 6 Teacher.
