

ABOUT THE SCHOOL

Portland Bay School is a State Government school catering for approximately 62 students aged from 5 to 18.

The school operates a senior and a junior department situated on the same campus and provides comprehensive programs with an extensive curriculum to ensure that students achieve personal success in a caring and supportive environment.

An individual program is developed for each student. Programs are implemented in classrooms with small student numbers and a high staff ratio.

The school caters for the Portland and district area with buses providing a door to door service for all students.
