P3
and
P4's
happenings.

P4 have been having fun demonstrating Portland Bay School's values out in the community – They were being safe while walking across the roads and giving way to other pedestrians showing excellent Responsibility. Students waited patiently while their hot chips were cooking and milkshakes being made demonstrating wonderful resilience. P4 students used beautiful manners and cleaned up after themselves being very respectful to Harbour lights staff.

P3 and P4 went on an excursion on Monday to the Art Gallery in Warrnambool to look at the Young Portraits Prize exhibition. This year's exhibition has been the biggest in history with over 1500 artworks displayed from all across the South-West region. We then went to Great Ocean Road Ten Pin bowling which students had an absolute blast with many students experiencing the excitement of getting a strike. Students enjoyed Happy meals at McDonalds and enjoyed a peaceful bus ride home with a few students catching up on extra sleep before school holidays.

ONLINE SAFTEY

(Adapted from www.thinkyouknow.org.au)

What you can do to help keep your kids safe online...

- Always supervise your child when they are online
- Encourage your child to identify trusted adults who can help.

It's never too early to start teaching young children about technology and online safety. The early learning resource Playing IT Safe can help you do this.

Playing IT Safe is a free resource developed for young children. It includes a series of play-based activities that children can play at home with parents and carers to help learn about safety online. You can access Playing IT Safe at <http://www.playingitsafe.org.au>

Find us on our Facebook "Portland Bay School".
